

Your Ultimate Checklist

Everything you need to know for a **hassle-free design appointment**.

Hello,

If you're thinking of updating your kitchen doors or worktops, want to know all about our **bespoke service** and how to get the most from your design appointment, then check out our **super helpful checklist!**

Our **professional surveyor**, Steve, who has over **35 years of experience**, will come over to take a look at your kitchen, at a time that is most **convenient** for you. He'll measure up, taking into account your gas and plumbing to ensure every detail is handled and your fitting will go off without a hitch.

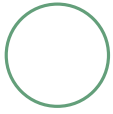

What is the best worktop choice for you?

Do you love baking with the kids, entertaining friends, tinkering with your bike or doing your own DIY projects? Be sure to choose a worktop to suit **your lifestyle** and **budget**. It's also very important to think about caring for your worktops. Do you want something that's **super easy to clean** and doesn't collect bacteria or does your perfect worktop require sealing or treatments to look its best?

Check out our guide to choosing your perfect worktop **here**.

Who would you like to install your new doors or worktops?

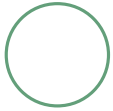

Knowing how you would like your fitting to be done takes away any unnecessary hassle, that's why we offer a **variety of installation options** to suit your needs.

Before your design appointment, consider if you'd like to fit the tops yourself, source your own fitter or whether you'd like a member of our experienced and professional team to fit your new worktops for you.

See details on our installation packages [here](#).

Who will be making the buying decision?

If you're living with a partner, friend or relative, it's likely you'll want to make **any decisions** about your new worktops together. That's why it is so important for **all individuals** to be present during the design consultation, to ensure **everyone is happy** with the colour, material, service and price. When we work together, this saves so much time and allows us to fit your **new kitchen quickly and with ease**.

When would you like your new doors or worktops fitted?

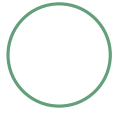

We'd love to know when you'd like your new worktops fitted. **Are you eager** to get the ball rolling or are you **putting out the feelers** before making that all important decision? We don't want to take up any more of your time than absolutely necessary, so fitting your new tops can take **just 1 day**, at a time that suits you best.

Click [here](#) for all you need to know about installation.

Can you put down a deposit?

If you're **100% happy** by the end of your design consultation, have chosen your favourite samples, know when and how you'd like your worktops fitted then you'll be asked to put down a **deposit**. This way, we can source your materials and get them **delivered to you swiftly**.

See our **price guide** and **request a visit** from our experienced worktop surveyor, or **give us a call** and let us help guide you to get the right solution for your kitchen!
